## How to Submit a Life Application

### Before Completing a Life Application Remember

- The agent must be licensed and appointed, according to applicable state regulations.
- Applications cannot be dated prior to the agent's license appointment effective date with the company.
- Any application submitted from an agent that is not appointed with the company will be held in the Administrative Office pending compliance with state licensing appointment requirements.
- If state licensing appointment requirements are not met, the application will be incompleted.
- American National is not obligated to accept any business that is not in compliance with state regulations.

### What are my options for submission?

American National currently accepts life applications in the following formats:

| Electronic application through ExpertApp | Preferred Method! Access via the IMG website img.anicoweb.com or login to your ExpertOffice account        |   |  |  |  |  |  |
|--|--|---|--|--|--|--|--|
| ExpertScan<br>Application                | Scanned life apps can be submitted through your ExpertOffice account                                       |   |  |  |  |  |  |
| Faxed Application                        | You can fax all documents to 1-888-2   | 37-1012   |  |  |  |  |  |
| Paper Application                        | Paper applications can be mailed to:   |   |  |  |  |  |  |
|  | Regular Mail: American National Processing Center Life New Business PO BOX 3297 Springfield, MO 65808-3297 | Overnight Mail: American National Insurance Company Mail Processing Center Attn: LNB 3297 1949 E Sunshine St., Springfield, MO 65899-3297 |  |  |  |  |  |

#### **Life Application Tips**

- The agent should examine the application thoroughly and become familiar with it before completing the information.
- All questions should be asked and all answers recorded completely and legibly, using black ink.
- Dashes, ditto marks and crosses have no legal meaning and are not valid answers.
- All boxes should be marked with Xs and not check marks. Those questions that do not apply should be left blank unless instructions are given to write "none."
- The agent has no right to change a signed application without the applicant's consent. Every alteration, erasure, correction, or addition made on the application must be initialed by the applicant.
- "White Out" is not acceptable on the application.

# **Underwriting Requirements**

The charts below illustrate the underwriting requirements for American National life policies. In order to set your client's expectations properly, the charts below separate requirements by what will be ordered by the agent and what will be ordered by the home office.

Before ordering requirements listed as "Agent Orders", please check with your agency to see if they handle the order of any requirements on your behalf.

### Legend

| •             | Automatic requirement. Agent can order the requirements now.  |
|---------------|---|
| <b>A</b>      | Wait! No automatic exam is required. The agent orders the exam only at American National's direction. |
|               | Automatically ordered by American<br>National   |
| Blood/<br>HOS | Blood/HOS: Blood chemistry profile<br>& urinalysis  |
| EKG           | Resting Electrocardiogram   |

| PFS  | Financial Supplement: Form 4165<br>(Business Financial Statement for<br>Buy/Sell)  |
|------|--|
| SAS  | Senior Age Supplement  |
| PFIF | Premium Funding Intent Form  |
| MVR  | Motor Vehicle Report   |
| APS  | Attending Physician Statement  |
| TPF  | Third Party Financials (The agent/agency may provide this instead of American National, if they prefer. If the agent/agency is providing, please notify us by cover letter.) |

#### Inspections

Underwriting to order unless the agent indicates otherwise on the application's agent checklist.

### **Important Information**

- 1. An exam by an applicant's personal physician is usually unacceptable.
- 2. Medical requirements will not be waived if the amount is reduced after the application is submitted.
- 3. Any application written in excess of \$500,000 must not have premium submitted with the application. Any policy that is table 4 or over should also not have premium taken at submission.
- 4. HIV consent form should be collected by the agent at the time of application, and submitted to the Administrative Office if required by state.

Cash With Application(CWA) Refund Checks: When a file is incomplete, declined, or postponed, American National will issue a refund check. Refund checks will not be accepted as Cash With Application(CWA) on any rewritten or reopened case. An new check must be obtained. Any refund check that is submitted as Cash With Application(CWA) will be returned directly to the client.

American National reserves the right to order any requirement it deems necessary for sound underwriting practice. Clients will be given the option to receive text notification of the availability of results from our lab provider. Those results can be obtained electronically by the client. If this is not an option, in order for the client to obtain a copy of their lab results, please send written request to the address below. This request must be over the proposed insured's signature. To obtain a copy of an abnormal blood profile and/or information from an APS on rated, declined or postponed cases, write to the address below. (This written request must be over applicant/insured's signature and contain the name and address of the doctor whose records are in question.)

#### Life Underwriting

American National Insurance Company PO Box 1720 Galveston, Texas 77553

# Underwriting Requirements Shelf Life

### Ages up to 65 (Standard Risks or Better)

Medical Exams, labs, EKG's, and MVR's are good for 12 months on Standard risks or better. Underwriting reserves the right to order "for cause" requirements. After six months, a new non-medical application with completed medical questions will be required. The company will also order a new prescription check and MIB after six months.

### Ages up to 65 (Substandard Risks)

Medical Exams, labs, EKGs, and MVR's are good for six months. Underwriting reserves right to order "for cause" requirements. A newly completed application or Good Health Statement may be required.

### Ages 66-75

Medical Exams, labs, EKG's and MVR's are good for six months. Underwriting reserves right to order "for cause" requirements. A Good Health Statement and updated prescription check will be required upon delivery if exam or fully completed application is over three months old.

### **Ages 76+**

Medical Exams, labs, EKG's, and MVR's are good for three months. May allow up to four months if there has been a complete physical in the medical records in the past three months. Underwriting reserves right to order "for cause" requirements. Updated prescription checks and Good Health Statements may also be required.

# Preferred Risk Underwriting

#### **Available on Designated Plans Only**

Preferred risk contracts are designed and priced to produce better mortality results than can be expected from an average block of business. In other words, to support pricing assumptions, preferred lives must be better than standard lives.

| Cognitive/<br>Functional | No indications of   | No indications of cognitive impairment or inability to perform Activities of Daily Living (ADL's) |               |                               |           |               |  |

# **Private Aviation Ratings**

| Solo Experience < 300 hours |                       |  |  |  |
|-----------------------------|-----------------------|--|--|--|
| Flying Hours per Year       |                       |  |  |  |
| Less than or equal to 100   | Standard <sup>3</sup> |  |  |  |
| 101 to 250                  | \$2 per M             |  |  |  |
| Greater than 250            | \$3 per M up          |  |  |  |

| Solo Experience >300 hours |                       |  |  |  |  |
|----------------------------|-----------------------|--|--|--|--|
| Flying Hours per Year      |                       |  |  |  |  |
| < 200                      | Standard <sup>3</sup> |  |  |  |  |
| 201 to 350                 | \$2 per M             |  |  |  |  |
| > 350                      | \$3 per M up          |  |  |  |  |

If pilot has IFR: deduct \$1 per M.

Student Pilots: \$2 per M.

### **Other Considerations**

- Pilots age 71 and over Individual consideration for ratings. No Preferred.
- Age 75+ requires Aviation Exclusion
- Scheduled Commercial Pilots in North America can be considered for Pref Plus rates if all other criteria is met

3) Preferred if meets all other criteria

# Precision Credit Underwriting Rate Class Reductions

#### **Success Stories**

During the process of reviewing a medically underwritten case, underwriters can apply "credits" for healthy characteristics. Individuals with three or more credits may qualify for a rate class reduction.

# Financial Underwriting Guidelines

### Personal Coverage – Income Replacement and Estate Preservation

#### **Earned Income Replacement Table**

| Age   | Income Factor |
|-------|---------------|
| 18–40 | 20–30 x       |
| 41–50 | 15–20 x       |
| 51–60 | 10–15 x       |
| 61–65 | 8 x           |
| >65   | 5 x           |

#### **Estate Preservation Calculation**

- 1. Assess value of net worth.
- 2. Apply reasonable factors for growth and years compounding to determine future value. See "Growth Rates and Years Projected for Estate Preservation" below.
- 3. Multiply future value by 50% (estate tax rate) = Total amount needed for estate preservation. Subtract any personal life insurance coverage not being replaced.

#### **Growth Rates and Years Projected for Estate Preservation**

Use higher annual growth rates when asset allocation/situation indicates that higher rates of return could be reasonably expected:

| Age        | Years Projected | Annual Growth Rate |
|------------|-----------------|--------------------|
| 50 or less | 25 years        | 6% (10% max)       |
| 51 to 60   | 20 years        | 4% (8% Max)        |
| 61 to 70   | 15 years        | 3% (6% Max)        |
| 71 to 75   | 10 years        | 3% (5% Max)        |
| Over 75    | 5 years         | 3% Max             |

# Special Financial Requirements

### Personal Coverage – Income Replacement and Estate Preservation

| Ages     | <b>PFS</b> Personal Financial Statement (Form Series 4165) | <b>EIR</b> Electronic Inspection Report (Ordered by Home Office Only) | <b>IR</b><br>Traditional<br>Phone Inspection | <b>TPF</b><br>Third Party<br>Financials |
|----------|--|---|--|---|
| Under 66 | >\$3,000,000   | \$1,000,001 – \$5,000,000   | >\$5,000,000                                 | >\$5,000,000                            |

| 71+      | >\$500,000   | N/A   | >\$500,000                                   | >\$1,000,000                            |

#### Notes:

For amounts requiring third party financials, the inspection company will attempt to obtain this information from client's CPA. If the agent, or client, prefers to obtain this information instead of the inspection company, please provide at time of application.

Acceptable 3rd Party Financials:

- Tax returns from past two years.
- W-2s from past two years.
- Personal Financial Statement outlining income and signed by CPA (credentials will be confirmed)

For Estate Preservation cases, net worth may need to be confirmed if the income doesn't justify total line of coverage. In these situations, net worth can be confirmed by the following sources:

- Personal Financial Statement documenting net worth and income signed by CPA (credentials will be confirmed).
- Personal Financial Statement signed by proposed insured with supporting documentation: Bank Statements, Tax Returns, Property Tax Assessment or Appraisal, Brokerage statements.

|                                      | Gross Income  | % of income available for Life Insurance Premium |
|--------------------------------------|---|--|
| Premium<br>to Income<br>Ratio        | <\$50,000<br>\$50,001–75,000<br>\$75,001–100,000<br>>\$100,000  | Up to 10%<br>10–15%<br>15–20%<br>20–25%          |
| Non-<br>Income<br>Earning<br>Spouses | <ul> <li>Allow up to 100% of insurance in force on the employed spouse up to \$1,000,000 if no dependent children (and up to \$2,000,000 if there are dependent children) as long as household income justifies the amount on the wage earning spouse.</li> <li>Amounts exceeding these guidelines would need a detailed cover letter explaining reason for face amount (estate planning needs, for example).</li> </ul>  |  |
| Personal<br>Loans                    | <ul> <li>Term of loan must be five years or more.</li> <li>Generally up a maximum of 75% of the loan.</li> <li>Loans between individuals will typically not be considered.</li> </ul>   |  |
| Juvenile<br>Coverage                 | <ul> <li>There must be equal coverage on all siblings.</li> <li>For amounts up to \$249,999 there must be equal coverage for at least one parent. For \$250,000 to \$500,000 both parents must have equal coverage. For amounts over \$500,000 both parents should have at least twice the amount of life coverage.</li> <li>Amounts of \$500,000+ require facultative reinsurance.</li> <li>NOTE: Guidelines may differ for states that have specific guidelines for juvenile coverage.</li> </ul> |  |

#### • Multiply amount of annual giving by 10 for typical maximum face amount (average amount from the past three years x 10). • Should have adequate personal coverage already in force. Charitable

- Coverage
- - Cover letter explaining how face amount determined.
  - For amounts over \$250,000 will require documentation of prior giving. Underwriter discretion below \$250,000.

# Special Financial Requirements

### **Business Coverage**

When a business is listed as the owner of a contract, the Employer Owned Life Insurance form (10244) will be required.

| The foll                     | The following will be requirements, based on the face amount that is requested:   |  |  |
|------------------------------|---|--|--|
| Amounts up to<br>\$1,000,000 | Business Financial Questionnaire (BFQ) provided by agent.   |  |  |
| \$1,000,000 –<br>\$3,000,000 | <ul> <li>Business Financial Questionnaire (BFQ) provided by agent.</li> <li>Electronic Inspection Report (EIR) to be ordered by home office.</li> </ul>   |  |  |
| Amounts Over<br>\$3,000,000  | <ul> <li>Business Financial Questionnaire (BFQ) provided by agent.</li> <li>Inspection Report with Business Beneficiary Report (BBR) to include 3rd party business financials from the past two years (preferably balance and income statements). Home office will order.</li> <li>If the inspection does not include 3rd party financials, the underwriter will request this documentation from agent. Note: If the agent prefers to provide business financials, please advise in cover letter.</li> <li>For Key Person coverage, Inspection report will verify income/salary by obtaining tax returns or W-2s from the past two years. Note: If the agent prefers to provide tax returns or W-2s from the past two years, please advise in cover letter.</li> <li>Cover letter detailing the purpose of coverage and how the face amount was determined is strongly encouraged.</li> </ul> |  |  |

|  | Requirements for Special Business Situations   |
|--|--|
| Buy/Sell                                 | Fair Market Value of company multiplied by percent of ownership to determine maximum face amount.  |
| Key Person                               | 10 x annual income to determine typical maximum face amount.   |
| Business Loan<br>or Creditor<br>Coverage | <ul> <li>Typically cover face amounts up to 75% of the loan.</li> <li>Terms of loan typically must be five years or more.</li> <li>Proposed Insured must be a key person.</li> </ul>   |
| New Business/<br>Start Up<br>Companies   | <ul> <li>Considered on case-by-case basis.</li> <li>Total line of coverage not to exceed 50% of the loan or investment.</li> <li>Cover letter explaining amount and source of funding, experience of the owners in the field and their prior success strongly encouraged.</li> <li>Balance sheet and income/expense statements, pro-forma statements and business plans should be submitted with the application.</li> </ul> |

### **Retention Limits**

#### **American National Insurance Company**

| Age   | Retention Limits | Maximum Table Rating |
|-------|------------------|----------------------|
| 0–75  | \$5,000,000      | All                  |
| 76–80 | \$2,000,000      | Table 8              |
| 81–85 | \$1,000,000      | Table 4              |

### **Autobind**

The amount of insurance on a life that can be underwritten in-house without sending papers to reinsurance.

| Ages  | Standard – T4 | T5 – T-8     | T9-T16       |
|-------|---------------|--------------|--------------|
| 18–70 | \$20 Million  | \$20 Million | \$20 Million |
| 71–80 | \$10 Million  | \$ 5 Million | No Autobind  |
| 81–85 | \$ 5 Million  | No Autobind  | No Autobind  |

### Jumbo Case Limit

The point at which the amount of insurance in-force and applied for with all companies on a life necessitates sending facultative to reinsurance.

| Age   | Limit        | Rate Classes |
|-------|--------------|--------------|
| 18–85 | \$50 Million | All Classes  |

# STOLI/IOLI

It is American National's policy that life insurance should only be purchased to provide protection to those with an insurable interest in the life of the insured. We will not knowingly participate in life insurance sales motivated by the possible sale of policies in a secondary market or participation of investors in policy death benefits. This includes Stranger-Owned Life Insurance (STOLI), Investor-Owned Life Insurance (IOLI), life settlements or viatication.

In order to control the issuing of policies intended for these purposes, we require that Form 4439 "Customer Identification Verification" be completed on all cases. If any of the questions on this form are answered "Yes," additional forms will need to be completed, per the instructions on the form. Form Series10051 "Premium Funding Intent Form" will also need to be completed for all cases in which the proposed insured is age 70 or older and the face amount applied for is \$500,000 or more.

# Rebating

American National complies with all anti-rebate laws and expects its producers to also comply.

# Side-by-Side Accelerated Underwriting Comparisons

| Available<br>Products   | All   | All  |

# Cases outside of the parameters of the programs above will require traditional underwriting.

<sup>4)</sup> Not applicable in New York. 5) Characteristics determined using Risk Classifier report outside our tolerance will be limited to standard. Risk Classifier utilizes characteristics derived from public records, driving history, and credit history. 6) Cases rated substandard will be disqualified from the Xpress and Xpress Plus program but are still eligible for issue with full underwriting.

# **Xpress & Xpress Plus FAQs**

#### Q: What is the Xpress program?

A: An underwriting program that is used to process applications for insured's age 65 or under and applying for a face amount of \$249,999 or less that is designed to speed up the underwriting process to allow for quicker issues and faster turnarounds. Xpress is available for both paper and electronic applications. No automatic exam is required. The need for an exam is determined based on answers to the application, MIB, Rx, and Risk Classifier. If an exam is required, the agent will receive a notification.

#### Q: What is the Xpress Plus program?

A: Xpress Plus is a new underwriting program that expedites the application process and saves your clients time and hassle by automating a portion of the underwriting process for applications submitted electronically. When you submit an individual application that is within the parameters of the Xpress Plus program, exams are not automatically required. The need for an exam is determined based on answers to the application, MIB, Rx, and Risk Classifier. If an exam is required, you will be notified, either immediately or via ExpertOffice.

#### If submitted through ExpertApp:

- If answers on the application prompt the need for an exam, the agent will receive a notification immediately in ExpertApp. The agent will then order the additional required exams.
- If the MIB, Rx, and/or Risk Classifier prompt the need for an exam, the agent will receive a notification via ExpertOffice and email.
   The agent will then order the additional required exams.

#### Q: What is the Risk Classifier?

- A: The Risk Classifier classifies risk by utilizing characteristics derived from public records and credit history. By using a Risk Classifier as part of the underwriting process, American National can avoid ordering exams and labs. This allows policies to be issued more quickly and, in turn, commissions are paid faster. And remember, even if the Risk Classifier is outside our parameters for accelerated underwriting, a client may still be eligible for life insurance, but additional exams may be required.
- Q: Will you still use the Risk Classifier if my client is not in an accelerated underwriting program?
- A: Yes, all applications for policies with a face amount of \$100,000 \$1,000,000 will use the Risk Classifier.
- Q: What products are underwritten using the Xpress and Xpress Plus Programs?
- **A:** All individual life products issued by American National Insurance Company.
- Q: What ages and face amounts are included in the Xpress program?
- A: Ages 0-65: Up to \$249,999
- Q: What ages and face amounts are included in the Xpress Plus program?
- A: Ages 18–50: \$250,000 \$1,000,000 Ages 51–60: \$250,000 – \$500,000
- Q: What underwriting classes are available for the Xpress program?
- A: Standard and substandard.

#### Q: What underwriting classes are available for the Xpress Plus program?

A: Preferred Plus, Preferred, Standard Plus, Standard Cases rated substandard will be disqualified from the Xpress Plus program but are still eligible for issue with full underwriting.

# Q: Are the Xpress and Xpress Plus programs used only to underwrite electronic applications?

**A:** Xpress Plus: Yes, electronic applications (ExpertApp) are required.

Xpress: No, paper and electronic applications are both accepted.

# Q: Does American National still accept paper applications?

**A:** Yes. However, the Xpress Plus program requires an electronic application.

#### Q: What if my client's application does not meet the parameters of either the Xpress or Xpress Plus programs?

A: If American National is not able to issue a policy through the Xpress or Xpress Plus underwriting programs, we will offer traditional underwriting to the applicant.

# Q: Will applications that require a medical exam still be eligible for preferred plus rates?

**A:** Yes. The requirement of a medical exam does not automatically eliminate the possibility of still obtaining a preferred plus rate class.

# Q: If I know my client will not meet the parameters for the Xpress Plus program should I go ahead and order the exam and labs?

A: Yes, if your client is applying for more than \$249,999 of coverage and will be excluded for face amount, age, or one of the conditions listed on the program disqualification list

(see Underwriting Guidelines), you can expedite the application process by ordering the typical exam and labs as you would for traditional underwriting.

#### Q: Are commissions affected?

**A:** Accelerated underwriting does not change any commission structure.

#### Q: What riders are available?

**A:** All riders are available when using the Xpress and Xpress Plus programs.

#### Q: Is this Simplified Issue?

A: No, Simplified Issue generally implies a short form application, non-medical underwriting with an accept/reject decision and in many cases, higher insurance premiums. Xpress and Xpress Plus require a full application while maintaining the ultimate goal of rapid underwriting decisions and competitive premiums. Simplified Issue programs have been consolidated/simplified, and Xpress Plus can be used in situations where the group does not meet the eligibility requirements for the Simplified Issue program.

#### Q: Is this Guaranteed Issue Life Insurance?

A: No. Xpress and Xpress Plus require underwriting to maintain competitive premiums. Guaranteed Issue programs have limited death benefits, a benefit waiting period, and higher premiums.

# Q: What application will be used and will there be sections that do not need to be completed?

**A:** The standard full application will need to be completed in its entirety.

#### Q: Is a tele-app required for Xpress or Xpress Plus?

A: No.

# Common conditions that require additional Labs, Exams, and/or APS

Not all applications will be issued without additional exams. Common conditions that will require additional exams to be ordered are listed in the charts below.

| Xpress   | Exam/<br>Labs | APS |
|--|---------------|-----|
| Undisclosed Diabetes   | X             |     |

Since each case is different, the underwriter reserves the right to order APS's or other requirements depending on the merits of each individual case.

# **Underwriting Strengths**

| Preferred<br>Plus | Cigar and Smokeless Tobacco User  • Preferred Plus rates for occasional cigar and smokeless tobacco users.  • Two times a month or less and negative specimen.  |
|-------------------|---|
| Preferred         | Individuals with this condition who are well-controlled, compliant with treatment, and have other favorable risk factors may receive preferred rates.  Mild Situational Depression or Anxiety Mild situational depression and anxiety with favorable characteristics may receive preferred rates.  Adult Attention Deficit Disorder Individuals with this condition who are very well controlled and do not represent any increased risk may receive preferred rates.  Preferred Exceptions Our preferred guidelines require that we exclude preferred if there has been a death from breast, colon, lung, ovarian, prostate cancer, or melanoma in parents or siblings prior to the age of 60. We now allow for some exceptions for preferred:  • Colon Cancer: Allow one family history of colon cancer death prior to age 60 for preferred rates if client has had a normal colonoscopy in the past 24 months (No adenomatous polyps or ulcerations consistent with inflammatory bowel disease). Limit to age 50+  • Coronary Artery Disease: Allow for one family history of death from CAD before age of 60 with a negative Stress EKG with good exercise tolerance (at least 8 METS) in the past 12 months. Limit to age 50+  • Prostate Cancer: Allow a family history of prostate cancer if current PSA is <2.0 and there has been a normal prostate exam in the past 24 months. Limit to age 50+ |
| Standard<br>Plus  | Prostate Cancer  Ages 70+ with low grade prostate tumor treated with surgery may receive standard plus rates with evidence of good follow-up and no other significant medical problems.  Type 2 Diabetes  Type 2 diabetics' ages 50+ with good control and optimal control of other risk factors (blood pressure, lipids, build) may receive Standard Plus rates on any permanent product.  |
| Standard          | Coronary Artery Disease  Ages 70+ with single vessel (right coronary artery) disease and other favorable factors, may receive standard rates.   |
| Family<br>History | "Family history of cancer" only includes these cancers (breast, colon, lung, ovarian, prostate, and melanoma).  |
| Obesity           | Generous credits for individuals who have favorable risk factors such as optimal blood pressure readings, favorable lipids, recent favorable stress testing or an EBCT.   |

Scenarios listed in the Underwriting Strengths section reflect the best possible case and individuals with such conditions are not guaranteed rates listed.

# General Reinstatement Procedures

## **Applying for Reinstatement**

| Policies with original face amounts between \$1 and \$500,000          | <ol> <li>Call customer service at 1-800-899-6806 to obtain the calculated reinstatement premium<br/>amount.</li> </ol>  |
|--|---|
|  | <ol><li>Have the client complete a reinstatement form. This form varies by state and is available at<br/>www.img.anicoweb.com.</li></ol>  |
|  | 3. Submit reinstatement form and premium to American National   |
|  | 4. American National's Underwriting team will review the application, if additional<br>requirements are needed, they will be ordered at this time. Note: Premium will be returned<br>to the client if any pending requirements are not received within 30 days of request.  |
|  | <ol><li>Once a reinstatement decision has been made, American National will send a letter of<br/>either acceptance or decline to the client and the agent.</li></ol>  |
|  | 6. If American National does not receive enough premium to reinstate, a letter will be sent to the client (with an email to the agent). At that point, the client has 30 days to send the difference of premium. Note: If premium is NOT received in 30 days, the file is closed and the client will have to restart the reinstatement process.                               |
|  | Do NOT submit a premium with application.   |
|  | <ol><li>Have the client complete a reinstatement form. This form varies by state and is available at<br/>www.img.anicoweb.com</li></ol>   |
|  | 3. Submit the reinstatement form to American National   |
| Policies with<br>original face<br>amounts of<br>\$500,001 or<br>higher | <ol> <li>American National's Underwriting team will review the application, if additional<br/>requirements are needed, they will be ordered at this time. The file will be closed if any<br/>pending requirements are not received within 30 days of request.</li> </ol>  |
|  | 5. If the reinstatement is approved, American National will overnight a request for premium to the client (and email the agent) along with a modification application, which must be signed. If the reinstatement is declined, American National will send a letter informing the client and the agent.   |
|  | 6. The signed modification application and premium must be received by American National within 30 days of the date the overnight envelope was delivered to the client. Note: If the premium and application are NOT received in 30 days, the client will have to complete a declaration of insurability and the premium may need to be adjusted for additional underwriting. |
|  | <ol> <li>If complete application and correct premium is received, American National will send a<br/>letter of acceptance to the client and the agent.</li> </ol>  |

### Where to send Reinstatement Form and/or Premium

| Mail  | Overnight   | Fax          |
|---|---|--------------|
| American National<br>PO Box 3257<br>Springfield MO, 65808 | American National<br>1949 E. Sunshine Street<br>Springfield MO, 65899 | 409-621-7505 |

### **Service Turnaround and Expectations**

Policies with original face amounts between \$1 and \$500,000 If the policy has been lapsed for **less than one year** and the insured has not had a significant change in health:

- In Good Order: Typically, one week from the time the application is received to the acceptance/approval letter being mailed.
- Not In Good Order: The typical reinstatement depends on the response time from agent/ client to receive the outstanding requirements. Average turnaround time is less than two weeks to complete the reinstatement process.

Policies with original face amounts of \$500,001 or higher If the policy has been lapsed for **less than six months**:

- In Good Order: Typically, three weeks from the time the application is received to the acceptance/approval letter being mailed.
- Not In Good Order: The typical reinstatement depends on the response time from agent/client to receive the outstanding requirements. Average turnaround time is approximately four weeks to complete the reinstatement process.

If the policy has been lapsed for **more than six months**:

 This situation involves the same process, underwriting time frames, as it would for newly submitted life insurance cases. The underwriting process could take up to a total of two to three weeks to order, receive, and analyze questionnaires and medical records to render a decision. Then, there are the additional days it takes to receive the reinstatement premiums and modification application back from the client. Average turnaround is typically a month to perform the entire reinstatement process.

#### **Reinstatement Underwriting Requirements**

(Underwriter reserves the right to order requirements based on individual situations)

| Length of<br>Lapse  | Amount of Insurance      | Underwriting Requirements<br>(Bold must be ordered by the agent)                                |
|---|--------------------------|---|
|   | Up to \$100,000          | Reinstatement Application   |
| 90 Days or<br>Less  | \$100,001 – \$1,000,000  | Reinstatement Application, MIB  |
|   | \$1,000,001 +            | Reinstatement Application, MIB, Scriptcheck   |
| 01 +- 100   | Up to \$1,000,000        | Reinstatement Application, MIB, Scriptcheck   |
| 91 to 180<br>days   | \$1,000,001 +            | Reinstatement Application, MIB, <b>Exam</b> , <b>Urine</b> , <b>Blood Profile</b> , Scriptcheck |
|   | Up to \$500,000          | Reinstatement Application, MIB, Scriptcheck   |
|   |                          | Reinstatement Application, MIB, <b>Blood</b> , <b>Urine</b> , Physical Measurements             |
| days  | \$1,000,001 +            | Reinstatement Application, MIB, <b>Exam</b> , <b>Urine</b> , <b>Blood Profile</b> , Scriptcheck |
| Up to \$250,000 Reinstatement Application, MIB, Scriptcheck |                          | Reinstatement Application, MIB, Scriptcheck   |
| 365 days+   | \$250,001 to \$1,000,000 | Reinstatement Application, MIB, Scriptcheck, Blood, Urine, Exam                                 |
|   | \$1,000,001 and up       | Reinstatement Application, MIB, Scriptcheck, Blood, Urine, Exam                                 |

#### **Other Underwriting Expectations**

| Attending Physician Statements | Normal new business age/amount requirements will be followed. APS may also be ordered at underwriter discretion.  |
|--------------------------------|---|
| Financial<br>Requirements      | If it is determined there is a discrepancy between the original financials and the financials provided on the Application for Reinstatement, it will be at the underwriter's discretion if additional financial documents are required. |

# Impairment Guide

| Impairment (Alphabetical)   | Rating             |
|---|--------------------|
| Acromegaly  | Table 4–8          |
| Addison's disease   | Standard – Table 3 |
| ADD/ADHD  | Standard – Table 2 |
| AIDS or ARC   | Decline            |
| Alcohol treatment then 2 years sobriety                                   | Standard – Table 8 |
| Alpha1 Antitrypsin Def<br>(no meds, good pulmonary,<br>favorable A1P, NS) | Standard           |
| Alzheimer's disease   | Decline            |
| Amyloidosis   | Standard – Decline |
| Amyotrophic lateral sclerosis   | Decline            |
| Anemia  | Standard – Decline |
| Aortic aneurysm   | Table 2 – Decline  |
| Angina  | Standard – Decline |
| Angioedema  | Standard           |
| Ankylosing spondylitis  | Standard – Table 4 |
| Anorexia nervosa  | Standard – Decline |
| Anxiety   | Standard – Table 2 |
| Aortic insufficiency  | Standard – Table 8 |
| Arteriosclerosis obliterans   | Table 4 – Decline  |
| Arteriovenous malformations   | Standard – Decline |
| Arthritis – osteoarthritis  | Standard           |
| Arthritis – rheumatoid or psoriatic                                       | Standard – Table 6 |
| Asbestosis  | Standard – Decline |
| Ascites   | Decline            |
| Asthma  | Standard – Table 4 |
| Atrial fibrillation or flutter  | Table 2 – Decline  |
| Atrial septal defect  | Standard – Decline |
| Atrioventricular block 1st and 2nd degree                                 | Standard – Table 2 |
| Atrioventricular block 3rd<br>degree – complete                           | Table 4 – Decline  |
| Barlow's syndrome   | Standard – Table 2 |
| Basal cell carcinoma  | Standard           |
| Bells palsy   | Standard           |

| Impairment (Alphabetical)  | Rating             |
|--|--------------------|
| Benign prostate hypertrophy                                      | Standard           |
| Berger's disease   | Table 2–8          |
| Bicuspid aortic valve  | Standard – Table 8 |
| Bigeminy   | Standard – Table 8 |
| Bipolar mental illness   | Table 2 – 8        |
| Bright's disease   | Standard – Decline |
| Bronchiectasis   | Table 3 – Decline  |
| Bronchitis chronic   | Table 4 – Decline  |
| Buerger's disease  | Standard – Table 4 |
| Bundle branch block –<br>hemiblock or right                      | Standard – Table 2 |
| Bundle branch block – left                                       | Table 4 – Decline  |
| Cancer – two years after treatment, no metastases, no recurrence | Standard – Decline |
| Cardiomyopathy   | Table 2 to Decline |
| Carotid bruit  | Standard – Table 3 |
| Celiac disease   | Standard – Table 4 |
| Cerebral palsy – gainfully employed & no assistance in walking   | Standard – Table 3 |
| Cerebrovascular accident   | Table 4 – Decline  |
| Charcot Marie Tooth disease                                      | Standard – Decline |
| Cholecystitis – recovered  | Standard           |
| Cholelithiasis – no symptoms                                     | Standard           |
| Christmas disease<br>(Factor IX deficiency)                      | Table 2–8          |
| Chronic Fatigue Syndrome   | Standard – Table 2 |
| Chronic obstructive pulmonary disease (COPD)                     | Table 4 – Decline  |
| Chronic pain – regular<br>narcotic use                           | Table 4 – Decline  |
| Chronic renal insufficiency / failure                            | Decline            |
| Cirrhosis  | Decline            |
| Cocaine use – no use in past<br>three years                      | Standard – Decline |
| Colitis – not ulcerative & full recovery                         | Standard           |

| Impairment (Alphabetical)                                | Rating             |
|--|--------------------|
| Colon polyp(s) – benign                                  | Standard           |
| Congestive Heart Failure                                 | Decline            |
| Cor Pulmonale  | Decline            |
| Coronary artery disease –<br>bypass or stent             | Table 2 – Decline  |
| Costochondritis  | Standard           |
| Crohn's disease  | Table 2–8          |
| Cushing's syndrome                                       | Standard – Table 4 |
| Cystic fibrosis  | Decline            |
| Cystitis   | Standard           |
| Deep Venous Thrombosis<br>(two months after recovery)    | Standard           |
| Dementia   | Decline            |
| Depression   | Standard – Table 8 |
| Diabetes – NS – dx <5 years – age <50                    | Table 3 – 8        |
| Diabetes – NS – dx <5 years – age >50                    | Standard – Table 4 |
| Diabetes – NS – dx >5 years –<br>age <50                 | Table 4 – Decline  |
| Diabetes – NS – dx >5 years – age >50                    | Table 2 – 6        |
| Dialysis   | Decline            |
| Discoid lupus (more than one year after clear diagnosis) | Standard           |
| Diverticulitis/Diverticulosis – recovered                | Standard           |
| Down's syndrome  | Decline            |
| Drug abuse or addiction –<br>no drug use in three years  | Standard – Table 8 |
| Eclampsia – recovered                                    | Standard           |
| Emphysema  | Table 4 – Decline  |
| Encephalitis – recovery no residuals                     | Standard           |
| Endocarditis – recovered no residuals                    | Standard           |
| Epilepsy   | Standard – Decline |
| Erythema nodosum –<br>recovered                          | Standard           |
| Esophageal varices                                       | Decline            |

| Impairment (Alphabetical)                                     | Rating                      |
|---|-----------------------------|
| Factor VII or IX Deficiency                                   | Table 2 – Decline           |
| Fibrocystic breast disease                                    | Standard                    |
| Fibromyalgia  | Standard                    |
| Fibromuscular Dysplasia (treated after 6 months)              | Standard – Table 2          |
| Gastric bypass – one year after surgery                       | Standard – Table 3          |
| GERD  | Standard                    |
| Gestational diabetes – not currently pregnant and normal labs | Standard                    |
| Gilbert's syndrome  | Standard                    |
| Glomerulonephritis  | Table 4 – Decline           |
| Graves' disease – controlled                                  | Standard                    |
| Guillain – Barre syndrome-<br>recovered no residuals          | Standard                    |
| Hashimoto's disease – controlled                              | Standard                    |
| Heart attack  | Table 4 – Decline           |
| Hemochromatosis – six months after dx well controlled         | Standard – Table 4          |
| Hemophilia  | Table 2 – Decline           |
| Hematemesis<br>(unresolved or unexplained)                    | Decline                     |
| Hematochezia<br>(fully investigated and benign)               | Standard                    |
| Hematuria (resolved or no genitourinary disease)              | Standard                    |
| Hemoptysis<br>(unresolved or unexplained)                     | Decline                     |
| Hepatitis A – recovered                                       | Standard                    |
| Hepatitis B – no acute symptoms                               | Standard – Table 8          |
| Hepatitis C-no acute symptoms                                 | Table 2 – Decline           |
| Hirschsprung's disease –<br>surgically corrected              | Standard                    |

# Impairment Guide

| Impairment (Alphabetical)   | Rating  |
|---|---|
| Hodgkin's disease – postpone<br>one to five years depending on<br>Stage | Table 2 – Decline   |
| Huntington's chorea   | Decline   |
| Hydrocephalus   | Table 2–8   |
| Hyperglycemia – medically monitored and not diabetes                    | Standard  |
| Hyperlipidemia – controlled   | Standard  |
| Hypertension – controlled   | Standard  |
| Hyperthyroidism or hypothyroidism                                       | Standard  |
| Hypoglycemia  | Standard  |
| Idiopathic Hypertrophic Sub<br>Aortic Stenosis                          | Table 4 – Decline   |
| lleitis   | Standard – Table 8  |
| Intermittent claudication   | Table – Decline   |
| Irritable Bowel Syndrome  | Standard  |
| Inflammatory Bowel Disease  | Table 2 – Table 8   |
| Kaposi's sarcoma  | Decline   |
| Kidney stones   | Standard  |
| Labyrinthitis   | Standard  |
| Left Anterior Hemiblock   | Standard  |
| Left Posterior Hemiblock  | Standard  |
| Legionnaire's Disease<br>(full recovery)                                | Standard  |
| Leukemia (five years after end of treatment)                            | Table 4 – Decline   |
| Lyme Disease (full recovery)  | Standard  |
| Lymphoma – postpone one to five years depending on stage                | Table 4 – Decline   |
| Mallory-Weiss Syndrome (currently under treatment)                      | Decline   |
| Marfan's Syndrome (no cardiac or vascular impairments)                  | Table 2-Table 8   |
| Marijuana Use (infrequent and no criminal record)                       | Standard non-<br>nicotine (if no use of<br>nicotine for past 12<br>months) – Table 4<br>non-nicotine. |
| Melanoma (complete excision and established pathology)                  | Standard – Decline  |

| Impairment (Alphabetical)   | Rating             |
|---|--------------------|
| Melena  | Decline            |
| (unresolved or unexplained)                                       | Decline            |
| Meniere's Disease<br>(controlled or resolved)                     | Standard           |
| Meningitis (fully recovered without complications)                | Standard           |
| Migraines (fully evaluated)                                       | Standard           |
| Mitral insufficiency or regurgitation                             | Standard – Decline |
| Mitral Valve Prolapse   | Standard           |
| Monoclonal Gammopathy or<br>MGUS (after two years stable<br>labs) | Table 2 – Table 4  |
| Mononucleosis (recovered)   | Standard           |
| Motor Neuron Disease  | Decline            |
| Multiple Sclerosis  | Table 2 – Decline  |
| Muscular Dystrophy  | Standard – Decline |
| Myasthenia Gravis   | Standard – Decline |
| Myelofibrosis   | Decline            |
| Myeloma   | Decline            |
| Myeloproliferative Disorders                                      | Table 2 – Decline  |
| Myocardial Bridging (asymptomatic)                                | Standard           |
| Myocardial Infarction   | Table 4 – Decline  |
| Myocarditis (single incident, one year full recovery)             | Standard           |
| Myositis (chronic or progressive)                                 | Decline            |
| Narcolepsy  | Standard – Table 4 |
| Nephritis   | Standard – Decline |
| Neuritis  | Standard – Table 2 |
| Neuropathy  | Standard – Table 4 |
| Organic Brain Syndrome  | Decline            |
| Osteomyelitis (chronic stable, not progressive)                   | Table 2 – Table 4  |
| Osteoporosis  | Standard           |
| Pacemaker   | Table 2 – Decline  |
| Paget's Disease of Bone (not progressive)                         | Standard           |

| Impairment (Alphabetical)  | Rating             |
|--|--------------------|
| Palpitations<br>(normal cardiac workup)                          | Standard           |
| Pancreatitis (chronic or recurrent)                              | Decline            |
| Paraplegia   | Table 6 – Decline  |

| Wolff-Parkinson-White (WPW)   | Standard           |
| Xeroderma Pigmentosum   | Decline            |

# Foreign Nationals Living in the U.S. Guidelines

In order to comply with anti-laundering requirements and manage underwriting risk, American National has established the following guidelines for foreign nationals.

| Green Card<br>(Permanent<br>Resident Card) | <ul> <li>An individual who is a permanent resident and is a green card holder is an acceptable underwriting risk.</li> <li>The application and requirements must be completed in the U.S. in the jurisdictions in which the agent and American National is licensed and in which the applicant is residing or has a substantial connection. The billing address and owner address must be in the U.S.</li> <li>A copy of the permanent resident card (green card) is required.</li> </ul>  |  |
|--|--|--|
| Canadian<br>Citizens                       | <ul> <li>Canadian citizens in the U.S. on a passport can be considered if they have strong ties to the U.S. – 2nd home or business in the U.S.</li> <li>Application and requirements must be completed in the U.S. in the jurisdictions in which the agent and American National is licensed and in which the applicant is residing or has a substantial connection. The billing address and owner address must be in the U.S.</li> </ul>  |  |
|  | <ul> <li>Individuals who have been in the U.S typically for 1 year and have stable employment can be<br/>considered if they have one of the following Visas:</li> </ul>  |  |
|  | H1-B Foreign workers in specialty occupations  |  |
|  | H-4 Spouse of H-1  |  |
|  | E-3 Australia specialty occupations  |  |
|  | L-1A Executive/managerial  |  |
|  | L-1B Special knowledge   |  |
|  | L-2 Spouse of L-1  |  |
|  | K-1,2,3,4 Spouse, child, fiancée of U.S. citizen   |  |
|  | V-1,2,3 Spouse/unmarried child of permanent resident   |  |
|  | E-1,2 Treaty traders   |  |
|  | G-1,2,3,4,5 Designated international organization's employees and NATO   |  |
|  | Nato-1,2,3, & 7 Military personnel of a foreign country stationed in the US  |  |
| VISAs                                      | <ul> <li>Application and requirements must be completed in the U.S. in the jurisdictions in which the agent and American National is licensed and in which the applicant is residing or has a substantial connection. The billing address and owner address must be in the U.S.</li> <li>A copy of the Visa showing type and date of entry in the U.S. is required.</li> <li>Country of origin must be considered a standard risk (see next page).</li> <li>An Inspection is required if the proposed insured has been in U.S. less than 3 years.</li> <li>Individuals under the age of 25 or over age 70 must go facultative.</li> <li>Amounts \$500,000 or greater or individuals who spend less than 3 months out of the year in the U.S. must go facultative.</li> <li>Proposed insured/owner must have a social security number or ITIN. If the proposed insured or owner has an ITIN, include IRS W-9 form and W-8BEN form. Verification of this number is required.</li> <li>No political figures, judges, military, journalists, sports figures, entertainers, police force, trade union officials, missionaries.</li> <li>Non-working spouse and dependents will not be provided coverage unless the main visa holder (wage-earner) is properly insured. Amounts may be limited on the non-working spouse or dependent.</li> <li>Preferred Plus available if otherwise qualifies</li> <li>Foreign Travel Questionnaire required if travel question is answered "yes" on application (not applicable in Florida)</li> <li>Stable employment</li> </ul> |  |

• Have significant legitimate interests in the US including property or business ownership

#### Established bank account Typically needs to be legally residing in the US continuously over one year. All others would be Individual Consideration **VISAs** APS required on all amounts exceeding \$1,000,000 POLICY OWNER, PROPOSED INSURED, OR BENEFICIARY CANNOT BE A CITIZEN OF OR Continued RESIDE IN A COUNTRY SUBJECT TO OFAC SANCTIONS.
